In the Matter of:

THE NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF WESTERN) CASE NO. 8839-S
KENTUCKY GAS COMPANY)

O R D E R

On December 1, 1983, the Commission issued its Order in Case No. 8839 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On October 11, 1985, Western Kentucky Gas Company ("Western") notified the Commission that its wholesale cost of gas had been increased by its suppliers, Tennessee Gas Pipeline Company ("Tennessee Gas") effective September 9, 1985, Texas Gas Transmission Corporation ("Texas Gas") effective November 1, 1985, and local producers and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) Western's notice of October 11, 1985, set out certain revisions in rates which Western proposed to place into effect, said rates being designed to pass on the wholesale increase in price from its suppliers in the amount of \$11,325,087 or 30.52 cents per Mcf.

(2) On April 30, 1985, Texas Gas filed revised rates with the Federal Energy Regulatory Commission ("FERC") to be effective November 1, 1985.

(3) On September 9, 1985, Tennessee Gas filed revised rates with the FERC to be effective September 9, 1985.

(4) Inasmuch as the filing of revised tariffs by Tennessee Gas was too late for Western to make timely filings, Western has proposed to implement increased rates effective November 1, 1985.

(5) Western's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 8839, dated December 1, 1983, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after November 1, 1985.

IT IS THEREFORE ORDERED that the rates in the Appendix to this Order be and they hereby are authorized effective with gas supplied on and after November 1, 1985.

IT IS FURTHER ORDERED that within 30 days of the date of this Order Western shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 25th day of October, 1985.
